

FINAL ASSEMBLY SUPERVISOR

 **Adres:** Zdrój 49a, 62-065 Grodzisk Wlkp.  **Obszar:** Produkcja  **Wymiar czasu pracy:** Pełny eteat

ABOUT THE ROLE

We are looking for an experienced and proactive Final Assembly Supervisor to lead the daily operations of our new final assembly line. The successful candidate will ensure that all products are assembled safely, efficiently, and in line with our quality and delivery standards. This role requires strong leadership, the ability to work under time pressure, and a continuous-improvement mindset.

KEY RESPONSIBILITIES

- Supervise and coordinate daily activities of the final assembly team. Ensure production targets, deadlines, and quality standards are consistently achieved.
- Allocate tasks, balance workload, and optimize resource utilization. Train, mentor, and support team members in processes, safety, and quality requirements.
- Apply and promote Lean tools to improve efficiency and reduce waste.
- Collaborate with Pre-Production, Engineering, Production Planning, Quality Assurance, Maintenance, and Logistics to ensure smooth workflow.
- Identify and resolve issues related to productivity, material availability, quality, or equipment.
- Maintain accurate daily production documentation and report key performance indicators (KPIs).
- Ensure compliance with all health, safety, and environmental guidelines.
- Drive continuous improvement initiatives across the department.

QUALIFICATIONS

- Minimum 3–5 years of experience in manufacturing or assembly operations, including team leadership.
- Strong understanding of assembly processes, production flow, and quality standards.
- Experience with Lean tools and continuous improvement
- Ability to work effectively under time pressure and manage multiple priorities.
- Excellent communication, leadership, and decision-making skills.
- Good command of English; German knowledge is a strong advantage.
- -Working knowledge of ERP/MRP systems is beneficial.
- Technical or engineering background preferred.

WE OFFER

- Becoming a member of a motivated and enthusiastic team and shape and develop the future of our growing organization
- Dynamic and collaborative work environment.
- Competitive salary and benefits packages.
- Work in an international environment within a long-term oriented family-owned business
- Opportunity to develop within the organization
