

INTERNAL LOGISTICS SPECIALIST

 **Adres:** Zdrój 49a, 62-065 Grodzisk Wlkp.  **Obszar:** Logistic  **Wymiar czasu pracy:** Pełny eteat

ABOUT THE ROLE

We are seeking a proactive and well-organized Internal Logistics Specialist to ensure the efficient flow of materials within our production facility. In this role, you will manage internal material movements, coordinate deliveries to production lines, monitor stock availability, and support continuous improvement of logistics processes. Your work will directly support production continuity and operational efficiency

KEY RESPONSIBILITIES

- Manage and coordinate the internal flow of materials between warehouse, production, and other departments.
- Ensure timely delivery of components to production lines according to schedules
- Monitor material availability and prevent shortages.
- Ensure correct handling, storage, and identification of materials.
- Work in close cooperation with final assembly, preproduction and production planning

QUALIFICATIONS & SKILLS

- Experience in internal logistics, warehouse operations, or production support (1–3 years preferred).
- Knowledge of internal material flow principles
- Experience with ERP/WMS systems
- Good communication and teamwork skills.
- Ability to work in a dynamic production environment.
- Forklift license is a must

WE OFFER

- Becoming a member of a motivated and enthusiastic team and shape and develop the future of our growing organization
- Dynamic and collaborative work environment.
- Competitive salary and benefits packages.
- Work in an international environment within a long-term oriented family-owned business
- Opportunity to develop within the organization
